Fr. Rory Our future is in your hands Jesus, we know we are saved.

LORD HEAR OUR PRAYER. LORD GRACIOUSLY HEAR US

READER We pray for the people of Afganistan taken over by Taliban forces. That Shariah law will not be enforced on these poor people. These Talliban are like people of the Old Testament. We pray they will come to surrender to Jesus what a miracle to pray for. Jesus hear us, Jesus save us.

LORD HEAR OUR PRAYER. LORD GRACIOUSLY HEAR US.

READER We pray for people suffering at this time the earthquakes, fires, floods and famine, extreme weather and the Pandemic also. These are causing many to be homeless and without money to buy food. We pray for Gods mercy and love to sustain us and save us. May we never grow tired of the poor, in giving as our Generous Father gives..

LORD HEAR OUR PRAYER. LORD GRACIOUSLY HEAR US.

READER We thank you Father God for giving us the scientists who produced the vaccine to combat coronavirus. We have great hope even though we will need booster jabs, that we will prevail. We greatly sorrow for those lost and their loved ones. We pray to God for love and mercy. May we experience Gods peace in the world. As we pray to Our Lady Mary, Hail Mary full of grace.....
